

## **Canada Feature Film Fund - Development Chain of Title Requirements**

14 June 2011

The production company submitting the application must demonstrate to Telefilm Canada's satisfaction that it holds all exclusive rights and options, for at least 24 months, necessary for the adaptation of the original work or concept, the screenwriting, the production, and worldwide distribution.

If another producer has received financing for the project by Telefilm Canada in a previous phase, Telefilm will not finance any further development or production of the project before recoupment of the advance made to date has been properly assumed by the applicant. Telefilm will determine in its own discretion whether the project submitted is the same as the project that has previously received financing.
