Banff Television Festival | Festival de télévision de Banff

Achilles Media

The Banff Television Festival, June 12 - 15, 2005 and World Congress of History Producers, November 2005 in Rome, Italy.

Achilles Media is the organizer and presenter of the Banff Television Festival and the World Congress of History Producers, both providing the international broadcasting and production community with outstanding opportunities to meet, learn and do business.

With its unique setting in the magnificent Canadian Rocky Mountains, BANFF 2005, now in its 26th year, is a fantastic place to do business while participating in a stimulating array of sessions, master classes and screenings. This year's Festival will focus on "The Future of Television" with special emphasis on international co-production and cooperation.

With more than 400 international broadcasters, producers and distributors expected, History 2005 takes place this year in Rome, Italy and is the premier annual programming event in this genre.

Mystique Films Ltd.

We produce edgy and entertaining documentary and dramatic television programming. Our latest series are "Healing with Animals" (13x30') which explores the amazing benefits of the human-animal bond and "Beyond Invention" (8x1) which explores the way-out world of extreme inventors and their inventions. We have also produced award-winning 1 hour docs, including "Sanctuary: A New Life for Research Chimps", with Jane Goodall. Our latest dramatic television movie, "Scorn", won a Gemini Award for Best Television Movie.

*** Proposed

Co-Production

Mystique Films Ltd. is looking for international co-production partners on Healing with Animals II, Beyond Inventions II, Spirits of Fire, etc. We are also interested in development co-production partnerships with companies who are looking for a Canadian production partner with a good documentary series track record. We can bring in Canadian tax credits and other production funding advantages to television projects that can at least be partly shot in Canada. I am a U.S. citizen and can work in the U.S. without the need of permits, etc.

Co-Production

Parapiti Entertainment also acts as a co-production liaison with commissioning editors for international co-productions. We are currently seeking presales for two animation series: Gordon's World (26 x 30') and The Mini's (26 x 30'), and co-production partners for two lifestyle series: It's A New Life (26 x 30') and Broken Glass Ceiling (26 x 30').

Partners in Motion

Partners in Motion is an Emmy and Gemini award-winning independent production company. We promote a balance between national and international documentaries, docudramas, co-productions, corporate work in film and video production, television series as well as a multimedia and digital animation division. Harmony Entertainment is our private film and video financing and distribution arm that currently represents over 350 hours of documentary and reality-based programming, as well as The Harmony Vault - an extensive library consisting of stock footage, music and animation. Harmony Digital Animation is our fully equipped in-house digital studio that produces state of the art multimedia, 2D and 3D digital animation services.

Foreign Affairs Canada & International Trade Canada

Foreign Affairs Canada (FAC) and International Trade Canada (ITCan) work to promote the economic prosperity of Canada and to project Canadian values and culture abroad. FAC and ITCan provide assistance to the film and television sector through a number of international business development programs and a grant program that assists directors, producers and Canadian festivals. A team of dedicated specialists work to promote the trade interests of the cultural sector internationally, market Canadian capabilities abroad and help companies realize their export development objectives. Through our international network of representatives in over 140 offices worldwide, FAC and ITCan offers foreign market intelligence, potential business opportunities, on-site business support and contact searches.

TELEFILM

C A N A D A

Telefilm Canada

Established in 1967 as a key cultural investment agency of the Canadian government, Telefilm Canada is dedicated to the development and promotion of the Canadian film, television, new media, and more recently, music industries. Through an extensive number of programs, its mission is to provide financial assistance and strategic leverage to the industry in producing high quality productions that reflect Canadian society, including its cultural and linguistic diversity, while ensuring their widest distribution in Canada and abroad. Telefilm Canada supports producers, distributors and exporters on the international scene. It encourages their participation in highly visible festivals and markets. Furthermore, the Corporation finances promotional campaigns and production launches. Telefilm Canada encourages co-productions by fostering closer ties between industry professionals in Canada and their counterparts in more than 50 countries. The volume of Canadian co-production activity - amounting to some 100 productions - has been in excess of \$700 million a year for the past two years.
